Welcome everyone to our 29th Annual sale.

What a time to be farming. It's very rare that Milk, Beef and Lamb are all shining like they are currently. It's important to take the time to enjoy it as as we all know there have been some tough years recently. It also is really great to see a number of farms moving to the next generation, with an estimated 17,000 nationwide that will be changing hands in the next decade. The positivity is out there that the future is looking bright and here's hoping that it continues with more young people taking that step.

The bulls have come forward nicely this year, even with an extremely wet June and July. We received nearly 400mls of rain in just over 10 days in July. The farm held up surprisingly well but we are definitely looking forward to some more warm weather and the grass kicking off.

You will note in the catalogue there is the Ronald McDonald House logo attached to Angus 2 Year Old bull MANGAOTEA LAKESIDE 3028. We are selling this bull with all the proceeds going towards Ronald McDonald House in Christchurch.

We will forever be thankful to them for the service they provided after our nephew Hugo was diagnosed with Leukaemia, 2 weeks prior to Christmas last year. It's one of those things that you don't really know about the club until your part of the club and you would never hope to be a part of that one, but the fact there is a place like this that provides everything a family could possibly need in a time of extreme stress and uncertainty is one of the most amazing resources. So make sure if you are after an Angus 2 year old, check him out. Alleva has also jumped on board and donated a \$500 Drench pack that will be included with the bull. So special thanks to them.

Please note that FMG are doing 14 days free insurance cover for bulls after fall of the hammer, if you wish to extend this just fill in the information at the back of the catalogue. Don't forget to stick around post sale for the Rural Support Auction, there is some absolutely fantastic items on offer.

Thank you also to Josh Sandford & Silver Fern Farms for feeding everyone today.

Have a great day, many thanks,

Rich & Zarrah
